Re: Asbestos Contractor License # 190316125

As requested, enclosed is your contractor license. This license must be available for review at all times while you are implementing an asbestos project.

This license may be revoked, pursuant to 326 IAC 18-1-7, if you:

- (1) Violate any requirements of these rules (326 IAC 18), 326 IAC 14-10, or any requirement of the Asbestos-Containing Materials in Schools Rule or any other federal, state, or local regulation pertaining to asbestos in buildings or to asbestos projects.
- (2) Falsify information on your application for licensing.
- (3) Fail to meet any qualifications specified in 326-IAC 18-1-4.
- (4) Conduct asbestos project, or related asbestos handling activity, in a manner which is hazardous to the public health.

Your license is valid effective 10/22/2022, and will expire on 10/22/2023, as indicated on your card. We suggest that you attend the required training and submit an application for license renewal within 60 days of your expiration date to insure your license does not lapse. Applications will only be processed within 60 days prior to the expiration date.
