RE: Lepi Enterprises, Inc.  
Letter of Recommendation

To Whom It May Concern:

We are writing to highly recommend Lepi Enterprises, Inc. for their work on the restoration of our Historic Common Pleas Courtroom. We are a County Governmental Agency and we feel very fortunate that Lepi Enterprises, Inc. was the low bid for our project.

The actual project was the restoration of the Historic Coshocton County Common Pleas Courtroom. This was an extremely challenging project and Lepi Enterprises, Inc. worked diligently with the County Commissioners as well as the Common Pleas Court Judge to bring this project to completion. Lepi Enterprises took the time to make certain every part of the restoration was exactly what the Commissioners and Judge wanted and did so in the timeline they were given, even when we added additional work to the project.

Lepi Enterprises, Inc. staff is very professional, organized and easy to work with. During the restoration project there was a very large amount of detailed work and Lepi Enterprises, Inc. staff completed these tasks with ease. They were also very diligent in the accuracy of the historic time period.

We feel confident that we can highly recommend Lepi Enterprises, Inc. for any project that you might have as we have been very satisfied with their work. Should you have any questions, or need additional information, please don't hesitate to contact us.

Sincerely,

The Board of Coshocton County Commissioners,

D. Curtis Lee
