

Certified Mold Remediator

The Indoor Air Quality Association has awarded the credential **Certified Mold Remediator (CMR)** to the individual named below. In order to obtain CMR status, an individual must achieve a passing score of 70 percent or greater on a rigorous, 3-hour examination. CMR status is only awarded to individuals who meet experience requirements that assure field knowledge of mold remediation and related indoor environmental issues.

Brad Bumpus

CMR 02735

Certification Number

Signed on behalf of the Indoor Air Quality Association

A handwritten signature in cursive script, appearing to read 'Glenn Fellman', is written over a horizontal line.
